Assignment # 2

Date: 30th March 2026

 **Q1:** Explain the difference between **idea and opportunity**. Provide a real-life example where a good idea failed due to lack of opportunity.

 **Q2:** Conduct a **SWOT + PESTEL analysis** for any one business idea (e.g., food delivery, online store, solar energy). Explain how external factors influence internal strategy.

 **Q3:** Explain **three ways to identify business opportunities** and discuss how observing trends (economic, social, technological, political) can help in selecting a viable business idea. Support your answer with examples.
